Hi Bonnie,

I've visited the site in the past and walked it and have no issues with the sewer extension through West Waluga Park. Our engineering department will need to approve the final design, I've copied Todd Knepper here.

Regards,

Hi Ivan,

Ellen Davis referred me to you as the person who has been the contact in regards to the sewer extension that our clients are proposing through Waluga Park to provide service to new homes being built on Baleine (see attached preliminary design). Could you please respond to this email confirming that the Parks Department does not have any objections to this. If you have any questions, please feel free to let me know.

Thanks

Bonnie
